ALERT!

REPORTING FRAUDULENT OR ILLEGAL ACTIVITY

Fraud is defined as...

acts characterized by deceit, concealment or violations of trust that are perpetrated by individuals or organizations to obtain money, property, services, avoid payment or secure personal or business advantage.

It is the responsibility of every city employee

to immediately report illegal or fraudulent activities by City of Bryan employees or vendors to his/her immediate supervisor.

The city employee is *NOT* responsible

for investigating the reported activity or for determining fault or corrective measures. Supervisors/managers, when made aware of such potential activities, must immediately notify their management chain of command, the city manager and internal auditor.

If you suspect a City of Bryan employee or vendor is involved in fraudulent or illegal activity...

call the **CITY OF BRYAN FRAUD HOTLINE** at:

(979) 209-5465

Reports can be made anonymously to the extent allowed by Texas law and/or federal statutes. However, in order to conduct an appropriate and thorough investigation, confidentiality cannot be guaranteed.

The City of Bryan is committed to providing financially efficient municipal services to improve the quality of life, and to developing a community where all citizens are proud to live.
